To You All:

The men of The Salvation Army Chicago Central Adult Rehabilitation Center feel truly blessed to have been part of your audience last Wednesday.

From the bus ride down to the bus ride back, the excitement was so great and the gift so large. With comments like, "It was so informative;" "They were so talented and their singing was unbelievable;" "The kids were so inspirational;" "The kids were a blessing to be as young as they were to minister to us with such strength" and finally, "God was all over the place!"

Thank you for the bountiful gifts we all received. We appreciate your including our Center in your special night in Chicago. Please come back!

Sincerely,

Mark W. Anderson
